FaithKids Sundays

Birth thru age 3: Their worship experience begins in the nursery at the start of the service. 3 year olds will have a short lesson. A time to experience God's love and community with other kids.

PreK (4+) thru 4th grade: Their worship experience begins in the worship center. After a time of singing and worship with the larger Faith family, they will be dismissed from the service to their FaithKids Sunday program. They will have a chance to explore the Bible and how it relates to everyday life, connect with friends, worship, and get to know the God who loves them tremendously!
