

Faith Covenant Congregation,

As we move toward regathering for services, I wanted to make everyone aware of our plans to open our church facilities to small groups.

We have set up five rooms to meet current social distancing requirements:

<u>Room</u>	<u>Number of People</u>
150	35
200	15
130	11
Fireside Room	6
Team Room	4

In addition, there are a few simple rules to follow when using these rooms:

- ✿ Fill out the COVID screening questionnaire and sanitize your hands upon arrival
- ✿ Wear a mask at all times within the facility
- ✿ Personal snacks/beverages are allowed
- ✿ Please do not remove the chairs from their marks

The rooms may be reserved by contacting a staff member who will fill out a form to get it on the calendar.

As a reminder, outside areas are also available as long as the weather holds. There is no need for signup at these areas they are on a first come first served basis.

In His Grace,

Rick Toboz  
Director of Facilities
